

Community Meeting and Discussion Evening

Wednesday 13th May 7.30 – 9.30 pm

Our topic this month is:

Reclaiming Auckland's Resources

A new vision for dealing with Auckland's waste crisis. with Warren Snow

Warren will present an achievable plan to give local communities control of the waste stream and create hundreds of new green job and business opportunities for Auckland.

Warren is Manager of Envision New Zealand, which he set up to promote practical local economic development solutions.

GREY LYNN 2030
